Dear Ms. Kichings,

I received your letter of April 29, 2015 regarding the expiration of time in ordering a transcript in the above captioned matter.

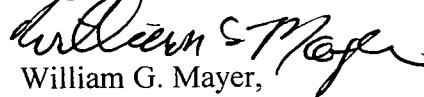

The transcript for the November 17, 2014 hearing was requested by my client directly on April 13, 2015 (copy attached). The court reporter responded in a letter of April 21, 2015 (copy attached) seeking specifics of the request. My client responded directly with the specifics on April 24, 2015 (copy attached).

The transcript has already been prepared and I mailed a check to the court reporter on May 7, 2015 covering the cost of the transcript (copy attached).

At this time I believe our request for transcript was made within the time allowed. In an abundance of caution I am enclosing a Motion Requesting Permission to Order Transcript Out of Time to make sure the case is not dismissed.

If there is any other problem, or if I can be of assistance to you in any way, please don't hesitate to contact me.

Respectfully,

William G. Mayer,
Attorney at Law
