Re: The State v. Deshawn Powell
Appellate Case No. 2012-212140

Dear Counsel:

Upon review, it appears that there are some portions missing from the record on appeal. Specifically, the record appears to be missing all pretrial motions, the jury qualifications and *voir dire*, jury selection, and the *Jackson v. Denno* hearing (including James Shumpert's testimony). Please serve and file a supplemental record on appeal including these items within fifteen days of the date of this letter.

Very truly yours,

V. Claire Allen, Deputy

CLERK
