Melissa,

All of your motions have been submitted to the Court but I do not know when it will issue an order. Given that you are asking to file a reduced number of copies, you will be given a new deadline to file the copies when an order is issued.

Subject: The Oaks at Rivers Edge v. Daniel Island Riverside Developers, et. al. (Appellate Case No. 2014-002390)

Claire,

We submitted a motion to file a reduced number of records on appeal in the above-referenced matter on April 24, 2015. Our records on appeal are due to the Court of Appeals on Wednesday, May 13, 2015. Due to the time constraints in printing the 15 records as a result of the size of each, do you know when we can expect an order regarding our motion? And is the deadline to file the records on appeal held in abeyance until the motion is decided?

Thank you,
