Sumter SC 29150

Re: The State v. Christopher J. Davis
Appellate Case No. 2015-001117

Dear Counsel:

Pursuant to Rule 264 of the South Carolina Appellate Court Rules, you are still considered counsel of record for the appellant until relieved by order of this Court. Upon reviewing your client's notice of appeal, the following deficiency or deficiencies have been noted under the South Carolina Appellate Court Rules (SCACR), and any deficiency must be corrected within ten (10) days of the date of this letter:

- The caption/title does not comply with Rule 267(a), SCACR. Specifically, all parties have not been listed including the judge and solicitor.
- The notice of appeal is not accompanied by a redacted copy of the order(s) and/or sentencing sheet(s) challenged on appeal.
- Since this is an appeal from a guilty plea, nolo contendere plea, or plea pursuant to Alford, Rule 203(d)(1)(B)(iv) of the South Carolina Appellate Court Rules requires "a written explanation showing that there is an issue which can be reviewed on appeal. This explanation should identify the issue(s) to be raised on appeal and the factual basis for the issue(s) including how the issue(s) was raised below and the ruling of the lower court on that

issue(s). If an issue was not raised to and ruled on by the lower court, the explanation shall include argument and citation to legal authority showing how this issue can be reviewed on appeal."

- A proof of service has not been provided showing timely service on opposing counsel. You must serve and file a proof of service substantially in the format shown by Form 7 in Appendix C to part II of the SCACR.

Very truly yours,

A handwritten signature in black ink that reads "Jimmy Kildings". The signature is written in a cursive style with a large, sweeping flourish at the end.

CLERK
