Re: State v. James Lamont Moore

Appeal # 2015-001054

Lower Court Case # 2009GS1008466

Dear Supreme Court:

I am not an Attorney but when I got my Attorney's Letter stating that my case could be reviewed by this Supreme Court upon a Request for you to Review the Court Order of the Lower Court, I simply filed a Notice to Inform you that I wish for this Court to see if any Errors were made by the Court of Appeals.

My Attorneys, Robert M. Dudek filed the Brief with my Co-Counsel.

I noticed you sent them a Copy of the Letter you sent to

me dated (your order) May 19, 2015.

I'm writing Mr. Dudek and
Brandon Scott Smith a Letter now
regarding this matter and wishes
for Mr. Dudek to file my
petition for writ of Certiorari
or Amend my Pro-se filings
so he could have it consistent
with S.C. Appellate Court Rules
242(d), and 242(e) SCACR.

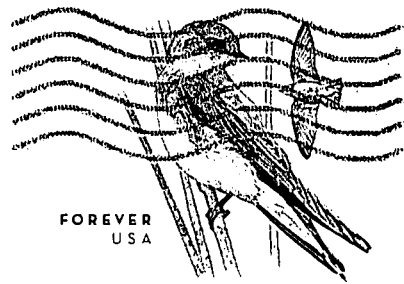

I Look forward to hearing from
you very soon, since Good Grounds
Exists why it shouldn't be
dropped based on Legal Arguments
pointed out in my case.

Thank you, God Bless,

cc. Robert M. Dudek, Esq. / ✓ James Moore
