RE: State v Erick E. Hewins
2015-00595

Dear Mr. Hewins:

While in the process of preparing the Return to the Petition for Writ of Certiorari in the above matter, our office determined that it would be necessary to file a motion to strike and for clarification and request that this matter be held in abeyance until the Court rules upon the motion. The motion was filed on April 29, 2015. Unfortunately, it was discovered that the motion was mistakenly filed at the Court of Appeals. The Clerk's office for the Court of Appeals stamped the motion with the date of April 29, 2015 and placed the original in its file.

Through a clerical error, your inmate number did not correspond to your name, and the Motion was returned to us. Enclosed are my original Motion to Strike Matter in the Appendix Pursuant to Rule 242, SCACR; Request for Clarification due to Multiple Petitions for Certiorari Filed; and Motion to Hold in Abeyance. The Motion was denied in an order of the Supreme Court dated, May 22, 2015 (enclosed), however. As a practical matter, this means little for your Petition, but I wanted to keep you informed of recent activity.

Sincerely,

Susannah Cole
