

In The Court of Appeals

APPEAL FROM PICKENS COUNTY COURT OF COMMON PLEAS

Letitia H. Verdin, Circuit Court Judge

Case No. 2014-001880

State of South Carolina Respondent,

v.

Paul Ioan Tat

Appellant

RECEIVED

MAY 27 2015

SC Court of Appeals

DESIGNATION OF MATTER TO BE INCLUDED IN THE RECORD ON APPEAL

To: Honorable Jenny A. Kitchings

Dear Mrs. Kitchings,

I am facing a problem with the timing to file the Record of Appeal due to two factors. One involves the question addressed yesterday regarding Respondent request for introduction of documents that were never served or filed with the Trial Court Clerck Office.

The other factor is that last month, before I knew that the Record on Appeal is due on June 13, 2015, thirty(30) day after Respondent Brief, I had scheduled a trip to Germany and Eastern Europe to take my 87 years old mother to see her brother and sisters. It means, I will be out of the country between May 30 to June 16th and will be impossible for me to complete the task in timely fashion. I called last week when I received the Respondent Brief and was advised me to send a letter to your attention and ask for an extension for delivery of the Record.

Hopping that the above reasons and the letter are sufficient to obtain a thirty (30) extension, until July 14 to produce and deliver the Record on Appeal.

Respectfully yours

May 27, 2015
