MOTION TO REINSTATE APPEAL

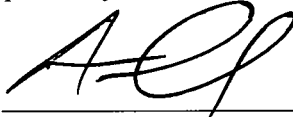

Appellants hereby move the SC Court of Appeals to reinstate the appeal in the above-captioned matter. The appeal was dismissed by Order filed August 20, 2012 due to failure to file and serve Appellants' Final Brief.

Appellants failed to file the Final Brief due to no fault on their part. The brief was properly diaried in the computer by counsel for Appellants, however, prior to the deadline for filing and serving the Final Brief, counsel's computer "crashed" causing some deadlines that were diaried to be lost, including the deadline diary for the filing and service of Appellants' Final Brief in this case. Immediately upon realizing, as a result of receiving the Order of dismissal from the court, that the Final Brief had not been timely

filed and served, Appellants have filed and served this motion. Appellants are, therefore, informed and believe that good cause exists to reinstate this appeal.

WHEREFORE, Appellants move the SC Court of Appeals to reinstate the appeal in the above-captioned matter.

Respectfully submitted,

By:  _____
