Civil Action No. 2011-CP-23-8578
Appellate Case No. 2014-002638
Our File No. 04490/01520

S.C. Supreme Court

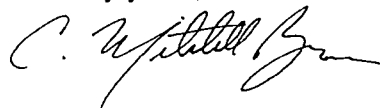

Dear Mr. Shearouse:

We are in receipt of a copy of the May 29, 2015 letter to you from counsel for Respondent/Appellant. We have no opposition to the request of the Respondent/Appellant for a thirty (30) day extension of time to file his Initial Brief and Designation of Matter. We note that counsel for Respondent/Appellant has asked that any extension provided to the Appellant/Respondent be conditioned on there being no further extensions granted during this appeal. While we will certainly endeavor to avoid any further extension requests, we respectfully reserve the right to seek additional extensions, including an extension of the reply brief deadline, if warranted by the circumstances.

The parties have discussed extending the page limitation for the appeal briefs and plan to submit a joint motion in this regard to the Court early next week.

With kind regards, I remain

Sincerely yours,

C. Mitchell Brown
