Clerk, South Carolina Court of Appeals

RE: The State v. Gary Waiters  
Appellate Case No: 2014-001212

Dear Ms. Kitchings:

I am in receipt of this Court's letter to pro se Appellant Gary Waiters in the appeal listed above. The Court indicates it will not consider Mr. Waiters' pro se petition for appeal bond until Mr. Waiters submits a copy of the order being appealed and proof that he has ordered the transcript of the proceedings below. In view of these omissions by Mr. Waiters, Respondent asks this Court to accept this letter as Respondent's motion to hold the time for filing a return to the motion for appeal bond in abeyance until Mr. Waiters complies with the Court's requests. In the event there is a timely response from Mr. Waiters, Respondent should be in a position to provide a return at that time. It has been necessary to order all of the closed criminal appeal and post-conviction relief files in order to provide the Court with the procedural background and Respondent has not yet received those files from State archives. Respondent has also notified the victims of the request for appeal bond to allow them the opportunity to provide information to the Court, if desired.

Sincerely,

Salley W. Elliott
