Re: Cynthia Holmes v. Haynesworth Sinkler Boyd (3)
Appellate Case No. 2010-154986

Dear Ms. Hopkins:

Thank you for your letter of August 15th, regarding the potential hearing dates for this case. At this time, my calendar is clear for all of the dates you mentioned (October 2, 3, 4, 16 and 17).

As you know, I am located in Washington State, and will have to arrange for a flight and accommodations to travel to Columbia for the hearing. It will also require a few days off from my practice here in Washington to be able to travel to and from the hearing. As much advance notice of the actual hearing date as possible will be greatly appreciated as it will allow me to get a plane ticket at a lower price and to plan my litigation schedule around the travel dates. Thank you for any consideration you and the Court can give me on this matter.

Sincerely,

Chalmers C. Johnson
