

# The South Carolina Court of Appeals

Robert James Miller, Jr., Appellant,

v.

Robert M. Stevenson, III, Respondent.

Appellate Case No. 2014-001964

---

## ORDER

---

Respondent's motion to dismiss this appeal is denied. Appellant shall serve Respondent with a copy of his initial brief and designation of matter within twenty days of this order and provide this court with proof of service.

Appellant has filed a motion to be furnished with the transcript without cost. Because Appellant has notified this court that there was no hearing below, and thus, no transcript, this appeal will proceed without a transcript and this court need not consider Appellant's request. Appellant has also requested that this court appoint appellate counsel. This court denied Appellant's previous request for counsel by order of November 10, 2014, and we decline to reconsider our order. *See* Rule 240(i), SCACR (providing this court will not entertain petitions for rehearing on a motion unless the action of the court on the motion has the effect of dismissing or finally deciding a party's appeal).
