**Re: Billy Lisenby, 200273 v. SCDC
Appellate Case No.: 2014-001574**

Mr. Lisenby,

I have received the Record on Appeal. However, it does not contain the June 11, 2014 Order from Judge Robinson. The Record on Appeal should contain the documents that both parties have designated. For your convenience and to avoid delay, I am sending you two copies of the Order so you can take the necessary steps to have it included in the Record.

Sincerely,

A handwritten signature in black ink that reads "Shanika K. Johnson". The signature is written in a cursive style.

Shanika K. Johnson
Attorney for Respondent
