Re: Rick Still, Donice Still, Christine Orr and Terry Orr v. South Carolina Department of Health and Environmental Control and Lisa Sumerel and Sumerel Poultry Farm
Appellate Case No. 2015-000700

Dear Ms. Kitchings:

We are writing on behalf of the Appellants, Rick and Donice Still, in the above-referenced appeal. Appellants' initial brief is currently scheduled for filing on or about May 6, 2015. We respectfully request a thirty (30) day extension of the filing deadline for our initial brief. Our check which was enclosed with the original request was retained by the Court.

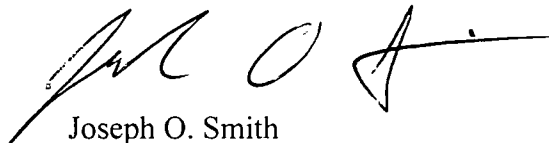

Enclosed with this letter is a copy of the original letter in which Appellant requested an extension for filing its initial brief. Appellant has filed numerous such requests in the same form and manner which were accepted by the Clerk and the requested extension approved by the Court. It was our understanding and experience that this form and method for requesting an initial extension of time was appropriate. Regardless, we are more than happy to oblige the Clerk's request to submit this letter bearing Appellant counsel's signature.

Should the Court require anything further please let me know and I will be happy to provide it.

With kind regards, I am,

Sincerely,

ROE CASSIDY COATES & PRICE, P.A.
