Appeal From York County  
Court of Common Pleas

S.C. SUPREME COURT

John C. Hayes, III Presiding Judge

Appellate Case No.: 2015-001014

Antonio Gordon,

Petitioner,

v.

State of South Carolina,

Respondent.

Motion to clarify and extension of time  
to file appendix and brief

Petitioner received a letter dated May 14, 2015 from the clerk of court indicating it has received petitioner's notice of appeal and assigned the above appellate case number. Then on page two the letter refer petitioner to Rule 243(e) and (f).

However, the petitioner filed a Rule 60(5) motion to reopen the post-conviction judgment and filed a notice of appeal from that order. Petitioner is confused as to should he file an explanation under Rule 243(c) which would be treating his appeal as if it came from an order denying post-conviction relief or should he follow the appeal process in Rule 208 which governs appeals from Rule 60(b) motions as Rule 243 strictly relate to post-conviction.

Petitioner are requesting addition of time to file appendix and brief until this motion is adjudicated.
