**Re: Esvin Leonel Lopez Perez v. Gino's The King of Pizza
Appellate Case No.: 2015-000191**

Dear Folks,

In preparing the final version of the brief we discovered the print shop omitted five pages of the record immediately following page 220. These are copies of the Secretary of State records of various corporate entities. If there are no citations past page 220 it is of no importance.

Enclosed please find a copy of the Record including the omitted pages, beginning with 221, and the subsequent pages appropriately numbered. Our apologies for not having noticed this omission previously.

Thanking You and With Best Wishes,
Yours Very Truly,

David J. Canty
