Re: The State of South Carolina v James C. Williams  
Appellate Case No.: 2013-001849

Dear Clerk:

I am in receipt of your correspondence of May 21, 2015 requiring the submission and designation of matter on appeal. There are numerous items listed that I am not in possession of, and must request from the Clerk of Court and Court Reporter, as they have been lost and/or destroyed due to cell and dorm shake downs by Institution's officers. These items, (twenty-one (21)) in all, I will have to ask the Clerk to provide that I may submit them to the Court.

At this time I would request of the Court to allow and grant an enlargement of time to respond and submit these documents, allowing me time to acquire all the required documentation. I've submitted my request to the Clerk of Court on May 27, 2015 and do not know the length of time it will take to receive the material. I did note the sense of urgency in my request, informing the Clerk this information is needed for pending appellate action submission, as per your (Court of Appeals) request, with a given deadline to respond to the Court. I therefore seek this Court's indulgence while I am acquiring these documents.

Any consideration of enlargement of time to respond that the Court may allow will be greatly appreciated, and thank you for your consideration in this matter.

Sincerely,

James C. Williams
