

The South Carolina Court of Appeals

The State, Respondent,

v.

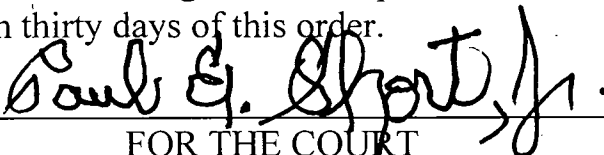

Donna Boyd, Appellant.

Appellate Case No. 2014-001853

ORDER

Appellant has filed a motion to "allow counsel to engage in the representation of the Appellant[,]" who has previously proceeded pro se. Appellant further requests that the court allow her to withdraw her pro se initial brief and accept for filing an amended initial brief and designation of matter. Respondent takes no position regarding Appellant's request to permit counsel to represent her on appeal. Respondent, however, opposes Appellant's request to file an amended initial brief.

After careful consideration, Appellant's motion is granted. Respondent shall serve and file an amended initial brief within thirty days of this order.
