Ms. Kitchings

Please see the attached information. I have called your office and left a voice mail concerning the same.

Today I received in the mail from The South Carolina Court of Appeals an "Order" that my appeal case (Appellate Case No. 2015-000997) has been dismissed for my failure to pay the notice of filing fee as required by court rules. The Notice was filed on June 12, 2015, I received it today, June 15, 2015.

Please note in the attachments that I am providing proof that the fee was paid and accepted by the South Carolina Court Systems on May 19, 2015, - 27 days ago.

I am confused by my receipt of such letter, the timing of it, and the accuracy of it. I have followed protocol demanded by the appellate courts: File notice of appeal, pay the filing fee, prepare the appeal and request the transcripts of the original trial. I do not yet have the transcripts, as such, my original appeal paperwork was returned to me today. When I do receive the transcripts, I will resend the original appeal paperwork.

Please return my call at your convenience so that I can be assured that my appeal is still on going.

Thank you

Jerry Campanaro
