Re: Johnson Koola v. Cambridge Two (2)  
Appellate Case No.: 2015-CP-000111

Sub: Compliance with SCACR in the service of Record on Appeal

Dear Honorable Kitchings:

I am appellant pro se in the above appeal, Johnson Koola v. Cambridge Two (2). On June 9, 2015, appellant served Record on Appeal with Proof of Service on the counsels of record for the respondents.

Through a letter dated May 19, 2015, Trademark Properties, Inc. ("Trademark") informed appellant that it has not submitted two Designations, No. 17: Full Copy, all pages, of the Master Deed dated February 24, 2003 and No. 18: Full Copy, all pages, of Transcript of Deposition of Richard Davis dated September 9, 2010, to the lower court (Rule 210(c), SCACR). Trademark advised Koola to remove these two Designations from the Record on Appeal. These two Designations as specified are not included in the Record on Appeal. However, the Record on Appeal includes excerpts of these two Designations, which the appellant had presented to the lower court.

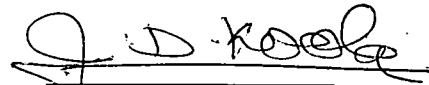

Trademark has neither submitted Designation No. 10: Memorandum of Evidentiary Exhibits dated November 13, 2014 to the lower court nor referenced to this Designation in its Initial Brief. Hence this Designation has not been included in the Record on Appeal. However, practically all elements of the Evidentiary Exhibits have been included individually in the Record on Appeal.

Neither Trademark nor appellant has presented Trademark's Designation No. 4: Affidavit of Richard Davis, filed on November 2, 2010. However, Trademark has referenced to this Designation in its Initial Brief several times; hence, appellant included this Designation in the Record on Appeal.

Appellant request the Court to review compliance with Court rules in the service of Record on Appeal. Appellant will comply with the Court determinations and take appropriate remedial actions.

Appellant thanks you in advance for your kind efforts.

Sincerely yours,

Johnson Koola
