S.C. SUPREME COURT

Dear Mr Shearouse,

I received your first letter stating I had (10) days to respond to the matter of my representing myself.

My brief was long and handwritten. I had to write 3 whole copies. I did and mailed them to you. Your copy the attorney Generals copy plus + cope with the clerk of Court in the County I was tried in.

(10) days I had to hand write this then I got a letter from the Attorney Generals office where they where fighting me on this matter.

I wrote him back + said I was doing him a favor that I found a case law that with this letter I have signed by a doctor stating I am dying of a terminal illness and can go any day now that I can by pass the Supreme Court + go right to the Federal Courts with my case. I told him point blank that I

though with a new Attorney General  
that maybe things would change in S.C.  
but I see it's the same old good ol boy  
system. Our Court is so old + back dated  
it is a shame.

And since he wants to go by this same  
old laws I wish I could take my  
glove and slap his face and challenge  
him to a duel!

I want the Court to know that I  
reject and thing filed by Vera Mary Cundy  
Esquire, And I will not let the Attorney  
General office who pays her pay check tell  
me who I have to take as a indigent  
beware when I filed my on Certiorari in  
a timely fashion with all parties.

This is to let you know that I will  
by pass the Supreme Court that I know  
the A.G then is now our Lt. Governor and  
I feel I cannot get a fair or just  
ruling when the A.G's office files telling  
me I cannot represent myself pro-se that  
this is just another cover-up by our new  
Attorney General to protect our Lt. Governor -  
I'm not the brightest tool in the shed  
But I do know that he opposed every  
thing our pres. Mr Obama put forth. Mr  
Obama might not have been one of our best  
presidents but he sure wasn't one of the

worst. I myself like him, S.C. doesn't  
we know the A.G. at the time now our  
L.T. Governor didn't so I will be filing  
as soon as I'm finished with this  
letter to you a Habeas Corpus with the  
Federal Court in Virginia.

All this could of been by passed I  
just wanted the truth to be known. In  
dying I'm not asking or was I  
asking for anything I stated I  
could not offered the medical help I'm  
getting now in prison if I was released  
I just don't want the solicitors to come  
without someone attorney being there and  
make promises that they cannot keep or  
let the public defenders office tell there  
clients that what this public defender promises  
will happen to talk to them tell everything  
you will get help.

But not only them the Attorney Generals  
office to come talk to inmates without there  
lawyers being present. they should get a  
waiver signed by the inmate like the law  
says. The A.G. is not above the law no  
matter how big his head gets. He's a person  
just like me + you.

So please let the Courts know that I  
will be filing this Habeas Corpus and  
(3)

To Thank the New A.G for this mess.  
I only wanted the truth to be  
known. That's all, and for this to not  
happen to the next inmate

What was done to me was wrong  
There is no denying that. The records speak  
transcripts for themselves.

My family is more important to  
me than anything in the world. For  
this Attorney General's office for not  
believing in me. Maybe my info could  
have prevented that solicitor's father  
from being kidnapped I don't know? I  
do know this it was the same gang of  
people Maybe someone pick up or that I  
help plant could it stopped it but No  
my family couldn't be hurt or killed that  
gangs not that strong

24 hours a hot town in Charleston  
N. Charleston which at one time was the  
murderous County in the U.S.A.

I tried, again no one listen so  
I bet you this the feds will screw  
our new A.G. or old A.G. and someone on  
the S.C. Supreme Court it took how  
many years the state finally admit it  
killing a little boy in the electric chair

who was innocent. But its still the  
same old good ol boys running the show  
Shame, Shame, Shame on our Supreme  
Court and our Judges

I guess the saying is true you scratch  
my back I'll scratch yours and I'll  
have my secretary count the money

Sincerely  
Richard E. Dickson

P.S

A copy of this letter will be going  
to the federal Courts with my Habeas Corpus  
and its also hand written. Along with another  
hand written copy of my Certiorari I  
filed with you + all parties. And I have  
proof it was mislaid out you can lie +  
say we never got it. I would expect  
nothing different from S.C. system. But  
if you will please mail me back my  
Certiorari or a copy I filed on time  
with you + the Supreme Court

Thank you + GOD Bless you  
all. I wish none of you any ill will  
I only asked for the truth to come out  
thats all I want. Along with copies of the  
courts order... (5)
