Petitioner,

v.

State of South Carolina,

Respondent.

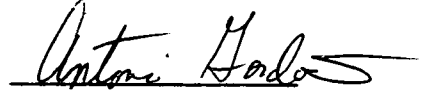

MOTION REQUESTING LEAVE TO FILE ONE COPY
OF BRIEF AND APPENDIX AND TO EXPAND BRIEF

This Court has ordered that the petitioner comply with the requirements of Rule 243(e) and (f). It would be very difficult to provide the numerous of copies due to Kershaw Correctional Institution will not copy handwritten documents nor typed documents and the documents that come from the court they will only copy a certain number of pages a week which will be past the twenty day deadline Your Honor issued in this case. Therefore, petitioner request leave to file one copy and relax the court.

Furthermore, petitioner are requesting leave to expand his brief to 35 pages. This request is due to petitioner filed a Rule 60(b) motion and this court have petitioner filing a writ of cert under the post conviction Rules and when petitioner requested clarification this court denied the motion. Petitioner need the additional pages because he must argue two different

standards of law on the writ of cert. Therefore, it is respectfully asked that petitioner pro se expand his brief to 35 pages.

Respectfully Submitted
