To Whom It may Concern:

RE: Charles Baker

He is under my care and is being treated for Bipolar disorder with mood swings and depression. He takes EFFEXOR and LAMICTAL for this.

Sincerely,

Case No.

#No-2012-CP-10-3114

Charles E Baker Sr.

Appellant,

V

MEDICAL UNIVERSITY of South Carolina
CHARLESTON, SOUTH CAROLINA

Respondent,

REQUEST FOR EXTENSION of TIME

Charles Baker. Appellant,

I would like to request an extension of time to file the appeal for the following reasons,

- (1) I am presently without council.
- (2) The above action has caused me great stress and depression for a number of years, especially the last few months. The above issues and Attorney problems have taken its toll. At seventy two years of age I live alone which makes it difficult to deal with things and especially legal issues. Being ADD makes it very difficult facing issues, especially legal.
- (3) I have been under a doctor's care for many years, for depression, Bi-Polar, also ADD.
- (4) Medication; EFFEXOR, LAMICTAL, ADDERALL. Also a Copy of Physician's Statement, enclosed.
- (5) Dealing with these issues is very difficult for me, and to prevent additional stress a period of six months would be appreciated if possible. After receiving the court decision and not expecting it, I must get mentally prepared to get this done on this the twenty eighth day is a major feat for me. To figure out the appeal process and make sure it is correct would be very stressful at this time.

Thank you very much,

Charles Edward Baker Sr
