REASON FOR AFFIANT'S BELIEF THAT THE PROPERTY SOUGHT IS ON THE SUBJECT PREMISES

During the month of March, 2011 the Affiant conducted a narcotics investigation involving the distribution of crack cocaine (a cocaine based substance) from Taylor Street, Greenville, SC 29611. The Affiant, through a confidential informant who has a demonstrated knowledge of drug culture, purchased a white rock substance from a black male at B Taylor Street on two separate occasions. During each controlled purchase the confidential informant was searched before the start and at the completion of the operation and no contraband was found in the confidential informant's possession. The confidential informant was under the direction of the Affiant and was under constant visual and audio surveillance throughout both operations. In all each case the white rock substance purchased from the black male resident was presented as crack cocaine. The substance purchased was field tested at the completion of each controlled purchase and field tested positive for a cocaine base on both occasions. A search warrant was executed at B Taylor Street on March 18, 2011. The Affiant identified Christopher Charles Todd as the subject who sold the white rock substance to the informant and an Arrest Warrant, number I-373129, was obtained for Todd.

Within the last 72 hours of the date listed on this warrant the Affiant has located the residence of Todd, Sterling Street, Greenville, SC 29601, and conducted a controlled buy of a white rock substance, presented as crack cocaine which filed tested for a cocaine base, from Todd at said residence. Through the use of an undercover operative, the Affiant has confirmed that Todd is at said residence.

Facts of this Investigation

During the month of March, 2011 the Affiant conducted a narcotics investigation involving the distribution of crack cocaine (a cocaine based substance) from 112 B Taylor Street, Greenville, SC 29611. The Affiant, through a confidential informant who has a demonstrated knowledge of drug culture, purchased a white rock substance from a black male at 112 B Taylor Street on two separate occasions. During each controlled purchase the confidential informant was searched before the start and at the completion of the operation and no contraband was found in the confidential informant's possession. The confidential informant was under the direction of the Affiant and was under constant visual and audio surveillance throughout both operations. In all each case the white rock substance purchased from the black male resident was presented as crack cocaine. The substance purchased was field tested at the completion of each controlled purchase and field tested positive for a cocaine base on both occasions. A search warrant was executed at 112 B Taylor Street on March 18, 2011. The Affiant identified Christopher Charles Todd as the subject who sold the white rock substance to the informant and an Arrest Warrant, number I-373129, was obtained for Todd.

Within the last 72 hours of the date listed on this warrant the Affiant has located the residence of Todd, 113 Sterling Street, Greenville, SC 29601, and conducted a controlled buy of a white rock substance, presented as crack cocaine which filed tested for a cocaine base, from Todd at said residence. Through the use of an undercover operative, the Affiant has confirmed that Todd is at said residence.

NARRATIVE
 On April 27, 2011 Investigator Griffin and I received information from a confidential informant that subject Todd was located at 113 Sterling Street Greenville, SC. The informant stated that Todd had said that 113 Sterling Street was his home address and that he was all on house arrest. The informant stated that Todd was wearing an ankle device commonly worn by individuals under house arrest. I had previously investigated Todd for distribution of a cocaine base (crack cocaine) and held an arrest warrant for said offense for Todd (case # -11-011256 warrant # I-373129).

Based on the information provided by the informant a controlled buy of crack cocaine was made from Todd at 113 Sterling Street on April 27, 2011. The informant was searched for contraband prior to the controlled buy with negative results. The informant was given twenty dollars (\$20.00) of government funds and was under constant visual and audio surveillance throughout the operation. During the controlled buy the informant was driven to and from the incident location by Investigator Jacobsen. The informant purchased a purple rock substance from Todd, presented by Todd as crack cocaine. The substance did field test positive for a cocaine base.

Based on the aforementioned facts a "no knock" search warrant for 113 Sterling Street was obtained. The warrant was executed by members of the Greenville County Sheriff's Office

NARRATIVE

(GCSO) Vice/Narcotics Unit. All members involved with the execution of the search warrant donned their GCSO issued tactical vest clearly marked with the words "Sheriff's Office" and with the assistance of Deputy Jones (GCSO Uniform Patrol) executed the search warrant at 2315 hours.

Upon our arrival at the incident location subject Brown T, was seen in the doorway of the residence. The entry team advanced to the front door and announced "Sheriff's office search warrant" and Deputy Jones activated his emergency lights on his marked patrol car. Brown T, upon seeing the entry team fled into the residence, leaving the front door open. Once entry was made the listed subjects were detained along with three male juveniles (See case # 11-059093 for juvenile information). Once the scene was secure the residence was searched. During the search I interviewed the listed subjects. All subjects were read their rights and each subject agreed to waive their rights and answer questions. At this point all subjects were being detained on the front porch of the residence.

Todd stated that he had just moved into the home with his girlfriend, Brown L, and stated all the crack cocaine found belonged to him.

Brown L stated that she and her kids, to include Brown D, and her brother Brown T, had been living at 113 Sterling Street for about 1 month. Brown L stated that Todd has been living at the house since she moved in. Brown L stated that she know nothing of Todd's narcotic sell because she stays in the back of the house most of the time. Brown L also stated that Brown D and Brown T stayed in bedroom one (listed as room B and located in the front left corner of the home).

Brown D also stated that he and his uncle, Brown T, stay in bedroom one. Brown D stated that he occupies the left corner of the room (as one enters the room from the living room) and that Brown T the far back corner of the room (as one enters the room from the living room. Brown D stated that he is a good kid who has never been in trouble and has no knowledge of Todd's or Brown T narcotics activities.

Brown T stated he used to sell crack in North Carolina but hasn't sold any since 2008. Brown T stated he came to South Carolina for a new start. A hand drawn picture was found in a bag in the room occupied by Brown T and Brown D. The bag was found on the side of the room described to belong to Brown T. Inside the book bag, along with the picture, were items with Brown T's name on them, indicating the bag belong to Brown T. Also in the bag were Pyrex

dishes and utensils used for stirring. The dishes contained residue that field tested positive for cocaine. The Items were found by Investigator May who then brought them to my attention. I took the picture and asked Brown T if he drew it and Brown T stated no that a man he knows drew it. I told Brown T it was in a bag in his room with others papers that belonged to him and asked if the bag was his. Brown T stated that it is his bag. I then asked Brown T about the Pyrex dishes in the bag and he said there were no dishes in the bag that I was lying to him. Later at the Detention center Brown T denied the existence of any bag in his room.

At the completion of the interviews I was advised by Investigator Griffin that he and Investigator Jacobsen had observed Todd tossing purple rock substances out the rear bedroom window upon our entry into the residence. The substance was recovered and field tested positive for a cocaine base. The substance later weighed at 6.3 grams.

Based on the presence of the Pyrex containers (used for the purpose of manufacturing crack cocaine) found with Brown T's belongings, that had residue that field tested positive for cocaine, the presence of powder in the kitchen commonly used as cut in the manufacturing of crack cocaine, an empty jug of grape drink (that when used in place of water in the manufacturing of crack cocaine would turn the crack cocaine purple, the presence of 6.3 grams of a purple rock substance that field tested positive for cocaine base and Todd's statement that everything found in the back bedroom and outside belong to him, Todd and Brown T where placed under arrest. The Sterling Community Center located at 100 Minus Street sits across the street for 113 Sterling Street and is clearly marked as a community center and day care, making it more than probable that the subjects knew they were distributing crack cocaine across the street form said center. Brown L was also placed under arrest for other charges (see case 11-059093). Brown D was not charged and released at the scene.

Brown T and Todd were transported to the detention center and served the listed warrants and turned over to detention personnel in good condition.

See Investigator Campbell's supplemental for a complete list of items seized from the residence.

(Subject #1). The UO was going to make a controlled purchase of cocaine base from TODD at the incident location. The UO was searched with no monies or contraband located. The UO was then given an amount of government funds and a monitoring device was placed on their person. The UO then went to 113 Sterling St., Greenville, SC, 29611. Constant visual and/or audio surveillance was maintained on the UO. The UO went inside the residence and met with Christopher TODD. TODD sold a purple rock like substance said to be crack (cocaine base) by TODD to the UO. The UO left the residence and went back to the predetermined meeting location where the purple rock like substance was turned over to Inv. Jacobsen. I did take a written statement from the UO detailing the incident.

With this information, ongoing narcotic investigations surrounding TODD, and active arrest warrants for TODD, Inv. Parrish obtained a search warrant for the residence for TODD's person and narcotics.

Later, I met with other members of the Greenville County Vice and Narcotics Unit at a staging location. There I placed on my GCSO issued raid equipment and entered the raid van.

Upon arrival at the incident location, I exited the front seat of the raid van, in front of the house in the roadway, and observed a black male (later identified as Brown Jr., subject #2) walking out of the front door. I covered him with my GCSO issued firearm and flashlight and gave him commands to show his hands, telling him I was with the Sheriff's Office. Inv. Clifford was able to get to BROWN Jr. and detain him. I then my made my way to the backside of the residence on the perimeter. Shortly thereafter I observed a window on the far right open, two arms appear and several pieces of a purple rock substance being pushed out of the window. I gave verbal commands to this person to get on the ground and, "Sheriff's Office search warrant." The person (later identified as TODD) did not respond and continued to throw the purple rock substance. He then went back inside the residence where he was secured by Inv. Brown.

I then obtained a camera and photographed the several pieces of purple rock substance on the ground. Inv. Jacobsen and I then collected most of the attainable pieces and turned them over to Inv. Campbell handling her duties as scribe. The purple rock like substance did field test positive for cocaine base. Inv. Campbell did take possession of all items located during the execution of the search warrant and place them into property and evidence at a later time.

I photographed the residence before the search, evidence as it was collected and the residence after the search.

After taking the photographs I did assist in search the residence. while searching the residence, TODD got my attention, after being advised of Miranda by other investigators, and did tell me all of the located drugs in the "master bedroom" were his along with the purple "crack" (cocaine base). (Inv. May) told me he located items used in the manufacturing of cocaine base in a bag belonging to BROWN Jr. in the bedroom of his. These items did field test positive for the presence of cocaine base.

In another bedroom I located 3 children, Quentin DayQuan williams 13, Mehki saron Brown 6, and KeMauri Samod Harris 3 (see case number 01-2011-059093) of Lindy Brown. The children were all sleeping in one bed that had sheets partially covering the mattress. In their bedroom, several articles of clothing were strewn across the floor. No refrigerator was located at the residence. The house appeared very un kept, parishable foods were left in the open, along with various articles of trash on the floors. Photographs were taken. MO Todd did contact on call Juvenile Inv. Pincaro and DSS was contacted. Emergency protective custody were taken of the children. DSS did arrive on scene and take custody of the 3 children.

I did locate paperwork inside the residence, that the three children did attend schools in close proximity to the residence. The Sterling Community Center is also located directly across from the residence.

All of the subjects were arrested for the listed offenses and were transported to the Greenville County Detention Center by uniform patrol. I obtained warrants for BROWN's arrest from Judge Keaton at the night magistrate office. I did locate money used in the controlled purchase of cocaine base from TODD on his person.

All of the subjects were turned over to detention personnel in good condition without incident on temporary commitments to await bond court.

NARRATIVE

Narrative:
 ON APRIL 27TH 2011 I ASSISTED INVESTIGATOR GRIFFEN WITH THE EXECUTION OF A LAWFUL SEARCH WARRANT AT 113 STERLING STREET IN GREENVILLE COUNTY. DURING THE PRE OPERATION BRIEF, I WAS ADVISED THAT I WOULD BE FIRST MAN IN ON THE ENTRY TEAM.
 UPON ARRIVAL AT THE TARGET LOCATION, I OBSERVED A BLACK MALE LATER IDENTIFIED AS TRAVIS BROWN STANDING IN THE DOORWAY TO THE TARGET LOCATION. AS I EXITED THE RAID VAN, I POINTED SHERIFF'S OFFICE ISSUED WEAPON AT TRAVIS BROWN AND BEGAN TO GIVE LOUD VERBAL COMMANDS TO SHOW HIS HANDS AND GET ON THE GROUND. AT THIS TIME INVESTIGATOR CLIFFORD WHO WAS TASKED WITH BREACHING THE FRONT DOOR, DITCHED THE RAM AND MADE CONTACT WITH BROWN IN EFFORT TO PLACE BROWN UNDER INVESTIGATIVE DETENTION UNTIL THE RESIDENCE COULD BE RENDERED SAFE. I THEN MOV PAST INVESTIGATOR CLIFFORD AND MADE MY WAY INTO THE REAR HALLWAY AREA WHERE I MADE CONTACT WITH A BLACK FEMALE LATER IDENTIFIED AS LINDY BROWN AND A BLACK MALE LATER IDENTIFIED AS DARIUS BROWN. I POINTED MY SHERIFF'S OFFICE ISSUED WEAPON AT BOTH SUBJECTS WHILE GIVING COMMANDS TO GET ON THE GROUND AND SHOW THEIR HANDS WHICH BOTH COMPLIED QUICKLY TO. WHILE GIVING COMMANDS TO THE TWO AFOREMENTIONED SUBJECTS, I OBSERVED A HEAVY SET BLACK MALE THAT WAS FAMILIAR WITH AS CHRISTOPHER TODD LEANING OUT THE REAR WINDOW ATTEMPTING TO EITHER JUMP OUT OF THE WINDOW OR ATTEMPTING TO THROW SOMETHING OUT OF THE WINDOW. I THEN POINTED MY SHERIFF'S OFFICE ISSUED WEAPON AT TODD WHILE CALLING HIM BY NAME AND GIVING COMMANDS TO GET ON THE GROUND AND SHOW HIS HANDS. AFTER A SHORT TIME TODD DID COMPLY. I THEN MAINTAINED

NARRATIVE

Narrative:
On 04-27-11 I assisted Inv. Parrish with the execution of a lawful search warrant at 113 Sterling St. in Greenville, SC. I met with Inv. Parrish at a pre-determined location in reference to a pre-search warrant briefing. Inv. Parrish advised that a search warrant was obtained for aforementioned location in reference to an ongoing narcotics investigation. I was assigned to the entry team and was tasked with entering the residence, securing any individuals inside, and searching the residence.

I arrived at the incident location along with other Narcotics Investigators. Upon arrival, observed a black male subject standing in the doorway on the front porch. As investigators exited the raid van, the subject began to walk into the house. Inv. Clifford approached the front door and made contact with the subject inside the residence. All other investigators continued into the residence. Upon entry, I observed a closed door on the left side of the living room. I covered the closed door with my County issued Glock pistol until Inv. Parrish arrived to assist. I breached the door and made entry into the room which is described as bedroom. Inv. Parrish and I cleared the room and encountered no subjects. Inv. Parrish approached another door and removed a blanket which was hanging in front of the door. I breached the door and made entry into the connecting room where I encountered three black male juveniles lying on a single mattress on the far end of the room. I checked the room for other individuals but did not locate any. I stood by with the juveniles until the residence

was secured.

I spoke with the elder juvenile who identified himself as "Quentin." I explained to him that I was a Deputy with the Sheriff's Office and that we had a search warrant for the residence. The other two juveniles continued sleeping. Quentin stated, "I have to go live with my grandfather in Asheville." I inquired as to why he stated that. He said, "I can't live like this anymore." I advised M/D Todd of the juvenile's statements. I also checked with the juveniles during the investigation in case of any needs that may arise. I assisted with searching the residence. I searched a portion of the kitchen as well as the Master Bedroom.

No further action taken.

NARRATIVE

On April 27, 2011, a briefing was conducted by Inv. Parrish in reference to a lawfully obtained narcotics search warrant obtained by Inv. Campbell for the address of 113 Sterling Street Greenville, SC 29611 in the Sterling Community. Those attending the briefing were advised that the main target who was supposed to be at the residence was a black male by the name of CHRISTOPHER TODD, who is listed as suspect 1 in this supplemental report. My initial duty was to cover the rear of the residence while other Vice & Narcotics Units made entry into the residence. We were advised that there were possibly children in the residence. After the briefing, I donned my GCSO raid gear by wearing my blue GCSO raid vest with clearly marked yellow letters stating the words "Sheriff's Office" on the front and back, my GCSO issued web gear with attached thigh holster, my GCSO issued .45 caliber Glock service weapon with attached pistol light, and my GCSO issued .38 caliber S&W back up weapon in its appropriate issued holster.

I drove my GCSO issued vehicle to the search warrant location following in behind the RAID van. Once at the search warrant location, I exited my vehicle removing my .45 caliber service weapon from the holster covering the right side of the residence until I got to the back of the residence. Inv. Griffin and Inv. Jacobsen were also at the back of the residence with me. Inv. Griffin began advising that someone was trying to throw something out the back window that looked like crack (I later observed where several pieces of a rock like

substance that was purplish in color was thrown on to the ground; this was retrieved by Inv Griffin and Inv. Jacobsen. Once the inside of the residence was secured, my then duty was to assist in the search of the residence. I went inside the residence where I observed there to be three children in a room laying on top of a mattress with no bed frame or box springs. This room was filthy with dirty clothes lying all around the room. However, the main bedroom did have a bed frame along with a mattress and box springs. I did not see a refrigerator in the residence, and there were several different food items lying out in the kitchen that needed to be refrigerated (I.E. mayonnaise and lunch meats). Electrical cords were also draped in a dangerous way across the kitchen that could be easily tripped on and grabbed by children.

I searched the residence after pre search photographs finding miscellaneous paperwork throughout the residence that was taken to Inv. Campbell, who was writing down seized evidence on to a notebook that would later be transcribed on to the return portion of the search warrant. Inv. Jacobsen made contact with me advising me that he had found various writings on papers and notebooks that looked like gang writings. I examined these writings where I observed drawings of 5 pointed stars, which is common with the People Nation and Blood sets. I also observed different sayings written down such as "5 poppin', 6 droppin'." I recognized these sayings to be those of traditional gang known as the Bloods. I was advised that these writings and drawings were taken from the area where suspect 2, Travis Brown, was sleeping at night. I later made contact with Travis approaching him about these writings and drawings. He stated that he was affiliated with the Bloods and is part of a Blood set out of Columbus, OH known as "Five Trey." I did see writings on papers of "Five Trey" and "5-3." He advised me that this Blood set is not big around this area but is in Asheville, NC, which is where he is originally from.

Once the residence was secured and post search photographs were taken, I signed the return portion of the search warrant once all seized items were documented on to it (See supplemental report by Inv. Campbell for further on the seized items). I further stood by with M/D Todd while we waited on DSS to come do to there being an EPC of three children that were in the home where we executed the search warrant. Once DSS arrived, the children were removed from the home by DSS. The prisoners were then transported to the GCDC by Uniform Patrol.

This concludes my portion of this investigation by this Investigator.

 On 04-28-11 I meet with Inv. Griffin and members of the Vice/Narcotics Unit in reference to make a control buy from Christopher Todd (B/M 06/16/85) at 113 Sterling St. Inv. Parrish had an active arrest warrant for Todd from a previous investigation and a CI of Inv. Griffin's advised that Todd was selling Cocaine Base (Crack) from this location. It was determined that a control buy would be made from the residence to confirm that Todd was at the location and a search warrant would then be obtained for the location. Inv. Griffin with the assistance of a CI and members of the Vice/Narcotics unit made a control buy from Todd at 113 Sterling St. Inv. Campbell obtained a search warrant for the residence from the night-Magistrate. Inv. Griffin and Inv. Parrish conducted a briefing at a predetermined location. During the briefing I made assignments concerning the entry team and perimeter team. I then donned my blue "Sheriff's Office" raid vest and my thigh rig. I assigned myself to assist

NARRATIVE

Inv. Clifford with breaching the front door by first checking the door and using the hooligan tool to open any screen door. I entered the raid van and was driven to the location by Inv. Jacobsen. Upon arrival at the location, I exited the raid van and observed a black male subject later identified as Travis Brown (B/M 12/10/75) standing in the open doorway to the residence. Members exited the vehicle announcing "Sheriff's Office Search Warrant" and telling the subject to get down on the floor. The subject turned and began to go back into the residence but leaving the front door open. Inv. Clifford made contact with the subject just inside the residence and was able to detain him. I entered the residence with my service weapon drawn and was yelling "Sheriff's Office Search Warrant" while clearing the residence. I approached Inv. Brown who was posted on wall leading down a hallway giving commands to subjects that he had observed. Myself and Inv. Brown along with Inv. May advanced down the hallway. We encountered one subject laying on the floor in the hallway. Inv. May made contact with this subject as myself and Inv. Brown continued down the hallway to the back bedroom where we made contact with Christopher Todd and Lindy Brown (B/F 11/20/71). I had my service weapon pointed at both subjects while Inv. Brown ordered them to show their hands. The subjects each had their arms under their body when we first entered the room. The subjects complied with Inv. Brown's orders and placed their hands behind their backs. Inv. Brown then covered me while I holstered my service weapon and secured both subjects. I then assisted with a secondary search of the residence.

I learned that at the time of the controlled buy and at the time of the execution of the search warrant that the residence was also occupied by Lindy Brown's three juvenile children; Quentin Dayquan Williams (B/M 03-29-98), Mehki Saron Brown (B/M 10-25-04), and Kemaury Samod Harris (B/M 07-01-06). I also learned that during the search Cocaine Base (Crack) and items used in the manufacturing of Cocaine Base (Crack) were found in the residence. I observed that the common areas of the residence and in particular the room in which the three children were laying was very unkempt. I observed dirty clothing, trash, and partially eaten food on the floor and throughout the residence. The back bedroom, however, where Lindy Brown and Christopher Todd were located was clean and had a bed with box spring, mattress and clean sheets. The three children were sleeping on dirty mattresses laying on the floor with little to no bedding. I also observed that there was no refrigerator in the residence and at one point the oldest child advised me that there had not been a refrigerator in the residence since they moved into the residence. I observed that food items that were to be refrigerated were open and on the counters in the residence. I also observed that there was little food in the residence. At one point, I asked the oldest child to locate clothing for himself and his brothers and he advised me that they did not have any clean clothes. The residence and its condition was photographed during this incident. I made

contact with Inv Pinciario (Unit #641) of the Juvenile Investigation division and advised hi of the situation. I advised Inv. Pinciario at that time that I believed that it was in the best interest of the children's welfare that they be taken into Emergency Protective Custody. Inv. Pinciario agreed with this decision. Inv. Pinciario made contact with the On-call OSS worker (Tracy Cobb 467-7749) and requested that she respond to the location to take custody of the children. Ms. Cobb arrived at the scene and took custody of the children after speaking with Lindy Brown and explaining the process to her.

During the incident I observed as Christopher Todd was advised of his Miranda Rights and he advised that he understood his rights. Christopher Todd numerous times made the spontaneous utterance that the items located in the back bedroom and the items thrown out the window belonged to him.

Once the search was completed and the children were removed from the residence, I responded to the detention center where I assisted in placing the three suspects into detention in good condition.

Narrative:
On 4-27-10 I met with other investigators with the GCSO vice and narcotics unit in referen to a search warrant execution. We met in the parking lot of St Francis Hospital on Hwy 123 I was advised that Inv Griffin, Inv Brown, and Inv Jacobsen were conducting a controlled purchase with the use of a CI at incident location. I was further advised that if during this purchase the subject was inside then Inv Campbell would obtain a search warrant for t premise. During that time Master Deputy Todd advised everyone their individual assignments for the execution. I was assigned as a member of the entry team placed at the number three position. A short time later Inv Brown advised that the purchase was made and that the subject was inside the premise. Inv Parrish also advised that the subject had an active arrest warrant with this agency.

When we were advised that Inv Campbell had the search warrant signed by the magistrate, we loaded up in the raid van and departed for incident location. When we arrived I exited the raid van behind Inv Owens. As I moved towards the front door I observed a b/m standing in the door way attempting to close the front door. Inv Clifford made contact with the b/m and detained him, as the entry team flowed into the interior of the premise. I fell in behind Inv Brown as he cleared the living as he moved into the dining room. Inv Brown made contac with one b/m in the hallway as I cleared a small kitchen on the right side of the living

room. Not locating anyone in the kitchen I moved back to assist Inv Brown. At that time Inv Brown was giving loud verbal commands to the subject who was attempting to flee out of the bedroom window. Inv Brown was standing in the door way of the bedroom and I could not see around him. I moved down and handcuffed the b/m laying in the hallway that leads to the back bedroom that the subject and his girlfriend were in. At that time Master Deputy Todd moved past Inv Brown and detained the subject and his girlfriend without incident. At this time all occupants in the residence were secured.

I then assisted by searching the premise for illegal contraband. During that search I located a small corner baggie containing a green leafy substance in the back bedroom, along with a set of digital scales. I also located stirring utensils and Pyrex measuring cup with white residue in the front bedroom wrapped up inside a t shirt located inside a back pack. The back pack belonged to b/m Travis Brown. I also located a envelope with Travis's name as the return address inside the same back pack. All evidence located was photographed and turned over to Inv Campbell for documentation.

This concluded my involvement in this case.

NARRATIVE

Narrative:
On 4/27/11, I assisted Inv. Griffin with the execution of a search warrant on a residence located in the Sterling Community at the listed address. I was advised by Inv. Griffin that the target of the investigation was CHRISTOPHER TODD and that a controlled purchase had been made from him at the listed address. I was tasked with breaching the front door of the residence with the battering ram if necessary. Once Inv. Griffin concluded his briefing, myself and the rest of the members of the entry team were driven to the target residence by Inv. Jacobsen in the raid van.

Upon arrival at the target residence, I immediately observed a black male subject standing in the doorway of the front door of the residence. Once the van was parked, I exited the raid van with Inv. Brown following behind me. I observed the subject as he stepped back inside the door. At first I thought that the subject was going to close the door but he did not. Once I realized that the subject wasn't going to close the door, I tossed the battering ram to the left of the front door and it landed on the front porch. I then drew my Sheriff's Office issued service pistol and pointed it at center mass on the subject as I moved towards him. Due to the fact that I was the first person to reach the doorway, I made entry through the door while yelling, "Sheriff's Office search warrant". The subject turned his back to me and started to lean over to the couch. At that point I was able to reach out and grab the subject by the back of his shirt with my left hand. I pulled the subject to the ground and held him down with my left foot on the small of his back as he laid face down on the floor. I ordered the subject to put his arms straight out and not to move. I covered the subject with my service weapon pointed at center mass on his body as the rest of the entry team cleared through the residence. While clearing the rest of the residence, the entry team did encounter other subjects to include juveniles. Once the other subjects were secured, Inv. Parrish came to my location and handcuffed the subject that I encountered. The subject was identified as TRAVIS MONTGOMERY BROWN JR. The subject was searched with
