Pursuant to Rule 240, SCACR, the South Carolina Cable Television Association, the South Carolina Telephone Coalition, and the South Carolina Office of Regulatory Staff (collectively "Moving Parties") move to extend the stay of this appeal. The Court previously issued an order staying the appeal on January 14, 2015. The Moving Parties now request that the stay continue in effect as explained below.

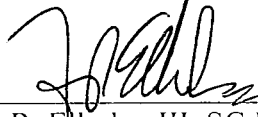

As explained in their original motion to stay, the Moving Parties, along with BellSouth Telecommunications, LLC doing business as AT&T South Carolina, reached an agreement to support legislation that would, among other things, resolve the issues that are the subject of this appeal. The proposed legislation, Senate Bill Number 277 was filed in the current legislative session on January 13, 2015. It was passed by the Senate on April 30, 2015. In the House it was referred to the House Labor, Commerce and Industry Committee where it was considered by the Public Utility Subcommittee. That Subcommittee reported the bill out favorably to the full Committee where it remains, pending action next year during the second year of the current session.

The Moving Parties request that the stay of the appeal be extended pending the outcome of the legislative effort. If the legislation passes in a form substantially similar to its current form during the second year of the current session of the General Assembly, the Moving Parties will report to the Court within ten days of its enactment and will withdraw the appeal as moot. If the legislation does not pass the Moving Parties will inform the Court and request that the stay be lifted. We have notified counsel for the other parties in the Public Service Commission docket of our intent to file this motion and have not received any objection.

For these reasons, the Moving Parties respectfully request that the stay previously entered on January 14, 2015 be extended and that all filing deadlines be held in abeyance.

We so move this 19th day of June, 2015.
