Re: Stow-Away Storage, LLC v. George W. Sisson
Appellate Case No. 2014-000155

Dear Ms. Allen,

I just received your letter of June 5th yesterday, and I hasten to inform the Court that, unfortunately, I have a conflict with all of the dates specified. I and two of my old childhood friends determined some time ago to celebrate our 80th birthdays together with our wives at Shelbourne Farms, in Shelbourne, Vermont. Somewhat ironically, we have five other couples joining us, one of whom is Zoe and Alex Sanders, who was the first Chief Judge of this Court in the modern era. We have already reserved rooms in the mansion at Shelbourne for September 8th, 9th, and 10th, which places me a thousand miles away on September 11th, as well.

Accordingly, I am respectfully requesting that the arguments in this case be scheduled for another date convenient to the Court. Please advise whether or not this request is acceptable.

With kindest regards,
Very truly,

Dana
