SC Court of Appeals

I'm on the behalf of my sixth Amendment right. That my lawyer Mindy H. Lipinski wouldn't get off my case. I have wrote for 7 months to John C. Hayes III Home Judge of York County that she told me that the state want "you" Even if you didn't do this they want you to do 15 years SCDC. So that let me know she wasn't gone, fight for me. No I don't claim to know the law but wrong is wrong I been "frame". It was conflict of interest because she had a client that was sure re testimonial again me. Strickland v. Washington I wasn't Constitutional Protection. Duker v. Warden pleaded guilty on advice of my lawyer 161 Conn. 337 violation. She help the state frame me. She didn't want to cross claim no one I had statements on my behalf she told my family she mis place them. How you do that. Ms. Lipinski was and still is solicitor she didn't try to fight for me and talk me out of trial. She incoborts with Jenny E. Desch to frame me. She was a solicitor 2 years ago and came in seen a man for as solicitor in a case. My gut feelings is telling me that Mrs. Lipinski was removed from the solicitor's office to the Public Defender office to frame and help

the solicitor office. She told me and so many words that York County wasn't gone let me win and trial even if they have to cheat with the jury This what my lawyer telling me I didn't have a fair change when she told me that York didn't do motion a press hearing I knew right then that was the law and she lied to me I wasn't gone win with her the solicitor and her like best friends. Rule 609 (Impeachment by evidence of Conviction of Crime) the witnesses Jaycee Jermaice Weely have 3 distribution of crack and at the time of my case now serving 10 years in SCDC Rule 403 he was the only evidence they told me all am asking for a fair change at my rights at the law All I ask for is a new lawyer and a solicitor to look over my case.

Thank you Mr. Ware
