

Dear, Jno,

6-22-15

①

On my previous letters I wrote I over looked something in my transcript that was sent to me on page 3 Question 23 THE COURT: it states that in 25 the dates of March 23 and March 24th of 2011. I've called my attorney and let her know that I was incarcerated on December 20, 2010 until August 5, 2013. I never left custody between them dates. I have filed a new P.C.R. on my new charges I'm in S.C.P.C. for now. It all dates back to the same charges I was charged for in 2010. The court and myself has wasted enough time on all these matters. If the court would I'd like for all my sentences to be lifted or resentenced to the 10 year sentence these charges carry. I should not be sentenced to a 4 year sentence and a 15 year sentence on the same charges that happened all at the same time. The crime spree law states that all sentences should be treated as one so this does not happen. (17-25-50) The law also states in 24-13-40 that the time should be ruled in my favor if theres a discrepancy. Please help me in this matter. I'm not getting my jail credit on my sentence now and I served 1350 days and I only got credit for 826 days.

I don't know who to write to get my jail time. I've wrote every one I can and S.C.D.C. will not give me my jail time credit even though the judge gave me the time on my sentencing sheet. Please consider my plea and help me so I can finally be done with all this. Thank you and I look forward to resolving this matter.

Sincerely,
James R. Muscott
