Case No: 2012-CP-40-00138

Date of Hearing: 4/22/2015

Case Name: US Bank NA, et al vs. Lydia Elaine Haggwood, et al

Dear Ms. Wells:

I have received your request for a transcript in the above referenced case. I do not know the full name for the case. As you can see from the reference above, the only names I have are "US Bank NA" and "Lydia Elaine Haggwood." Only named parties may request a transcript of proceedings unless the presiding judge approves the request from a non-party. Would you have the complete case name? In other words, do you know who the "et al" represents, because I do not have that information. I tried to get the information from one of the attorneys last week, but he has yet to return my call. Rather than delay responding to you, I thought you might be able to provide this information to me.

If you are a named party, that is, if one of the "et als" represents you, advance payment is required prior to transcript production. I estimate the cost to produce this transcript to be \$44.05, including postage. Your certified check or money order will be required prior to transcript production. You may provide that to me along with the complete case name.

Thank you,

Bonnie H. Kelly, CVR
