RE: Henton Clemmons v. Lowe's Home Centers
Court of Appeals Case #: 2013-001668

Dear Madame Chief Justice:

I am Counsel for Mr. Clemmons in the above-referenced appeal and the Petition for Rehearing that was pending in the SC Court of Appeals. I was out of the office writing a Brief and I have just received notice that on June 19th, the Court entered an Order and filed an Order denying my Petition for Rehearing. According to my understanding of the Rules and particularly SCACR, Rule 263, my Petition for a Writ of Certiorari will be due to the Court on July 19th, 2015.

As you know I am in a small law firm, I have one Associate now, and I do all of my appellate work. I had asked for protection from the SC Workers' Compensation Commission before whom I mainly practice now for a family vacation beginning this Friday, June 26th and extending through a return to my office on July 13th. Obviously I am crammed with things to do before this Friday and we have put off numerous things until the week of the 13th and the week of the 20th. With that said, obviously with the Petition being due this in effect gives me one week to review and to find the time to do a thorough job on the Petition on behalf of my client.

Based on this, pursuant to SCACR, Rule 263(b), I am requesting an extension of time to file the Writ of

Certiorari in the above-referenced matter. If the Court would be so kind, any extension of time would be sincerely appreciated but I would request an extension of at least two weeks and would sincerely appreciate thirty (30) days due to everything I have pending over the two weeks I get back after vacation.

If I need to file a formal Motion to make this request, please let me know. With this letter I am forwarding the \$25.00 filing fee for a Motion assuming that that applies.

By copy of this letter, I am forwarding a copy of this extension request to the Clerk of Court, and to all Counsel of Record.

Sincerely yours,
