1 appropriate as a Motion or as just a -- it is a  
2 Motion. I would ask that other Counsel agree to  
3 allow this. But I can't do something that my  
4 clients don't participate in or assist me in doing  
5 for the Court. You can't help people who won't  
6 help themselves and who won't participate with you  
7 in their own case.

8 But you also have to appreciate how much these  
9 people have dealt with with regard to this  
10 situation. It's been a very difficult situation,  
11 it has neighbors fighting, it has people not  
12 speaking to each other that live next door to each  
13 other. It's a human situation, as well as a legal  
14 situation. And that's why we're asking the Court  
15 to indulge us, and I know we are, but we are asking  
16 for that. And I would ask that the other attorneys  
17 understand that.

18 And I know Mr. Medlock has to have permission  
19 of his clients to do that. I understand that he  
20 can't just cart blanc grant that. And I know  
21 Mr. Simons has to have permission from his clients  
22 to do that. But I don't think it's going that far  
23 out on a limb to ask for that.

24 **THE COURT:** What say Mr. Medlock?

25 **MR. MEDLOCK:** May I have a moment, your Honor,
