Clerk of Court, South Carolina Court of Appeals

RE: John M. English v. Ellen Sexton
Case No. 2014-002661
Lower Court Case No. 2010-CP-10-7241

Dear Ms. Kitchings:

I am required at this time to ask the Court for consideration with regard to a violation of Rule 210, SCACR which I just noticed.

I was reviewing the Court Rules since I was surprised that I have not yet received a copy of the record on appeal and I discovered that must confess that I misread the Court Rules on this matter. My excuses are that my ability to work long periods of time is diminished to my problems with fighting multiple myeloma (a bone cancer) in my sacrum and spine and I also was having eyesight issuers due to cataracts. I had cataract surgery May 4 on my left eye and may 18 on my right eye.

I improperly thought only the Appellant was required to file a Designation of Matters to be Included in the Appeal. My understanding was that Respondents were required to serve, but not file a Designation of Additional Matters to Be Included in the Appeal and were required to file only a proof of service as to that designation. Accordingly, that is what I did.

Please find enclosed herewith the Designation of Additional Matter to be Included on Appeal which I previously served by mail upon all other counsel of record on May 19, 2015. Also please find enclosed a Certificate of Counsel relating thereto. Please also find for your convenience, a copy of the proof of service which I filed with my initial brief in accordance with my above-stated misunderstanding of the rule.

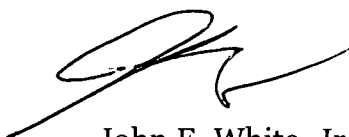

Please kindly file the original of the Designation and Certificate of Counsel at this time

and please return one copy to me in the self-addressed , stamped envelope provided. If I am required to file a motion concerning this matter, please advise me.

Should you have any questions or concerns, please do not hesitate to contact me.

Thank you.

Sincerely,

A handwritten signature in black ink, appearing to read 'John E. White, Jr.', with a stylized, cursive script.
