CASE NO. 2014-001951

Samuel L. Whitner,.....Appellant,

v.

State of South Carolina,.....Respondent.

REQUEST FOR EXTENSION

The Petitioner hereby request of this Honorable Court for an extension on the grounds that because of the matter that are argued within the Petitioner's Motion to Supplement the Record on Appeal initially requires a ruling before the Petitioner can fairly submit a response to the Petitioner's court appointed counsel's filing of the Johnson Petition thus absent of encumbrance upon executing this remedy and for second reason being is that within the time that was proscribed per this Court for the Petitioner to complete and file a response to the Johnson Petition; however, security measures were implemented that which its cause had derived from disruptive occurrence that caused dormitory lockdown thus impeded on the Petitioner's ability to fully access the law library here at Broad River Correctional Institution, and provided a hamper for the Petitioner to timely submit a response to the Johnson

Petition. For the reason argued above, the Petitioner respectfully request an additional 30 days thus for the Petitioner to adequately file a response to the Johnson Petition.

Respectfully submitted,

Prose Samuel L. Whitner
