**RE General Air Conditioning Services v B & B Development of Anderson,
LLC, et al
Appellate Case No 2010-176306**

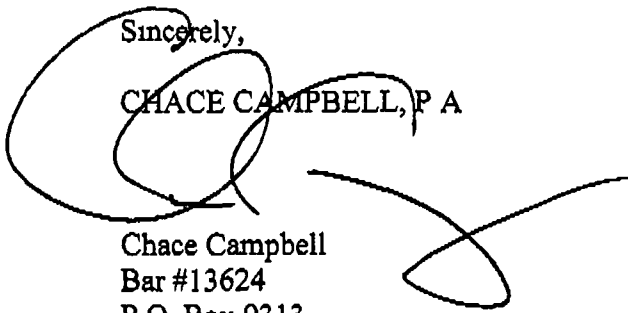

Dear Ms Allen

Please be advised that our office has a conflict with the date of October 31 2012 for arguments in the above referenced matter Our client Robert Clark, is the owner of General Air Conditioning Services he is also a practicing attorney and member of the South Carolina Bar On October 31, 2012 he has an all day trial scheduled This trial has been continued several times already I understand that clients do not always attend arguments before the Court of Appeals However, given my client's status as a member of the Bar, he would like to be present Therefore, we would ask that arguments in the above referenced matter *not* be heard on October 31 2012

Should you have any questions, please feel free to contact me at 864 268 8244

Sincerely,

CHACE CAMPBELL, P A
