

The South Carolina Court of Appeals

The State, Respondent,

v.

James B. Curry, Appellant.

Appellate Case No. 2014-002666

ORDER

On April 13, 2015, this court ordered Appellant to provide an update regarding the status of the transcript within ten days and explained that we would consider Respondent's motion to dismiss upon receipt of the status update or upon the expiration of ten days. Appellant has filed correspondence with this court indicating he does not intend to order the transcript. Because Rule 207 of the South Carolina Appellate Court Rules requires Appellant to order the entire transcript unless the parties agree otherwise in writing, and because Appellant has failed to timely order the transcript as required by Rule 207, Respondent's motion to dismiss is granted. The remittitur will be sent as provided in Rule 221, SCACR.
