SC Court of Appeals

Now comes the above named Appellant to move this Court for and Order granting and Appeal Bond. The Appellant believes he should be entitled to the same bond he was released on for approximately (3) years with NO such flight risk,

The Appellant respectfully alleges that he was arrested for Felony DUI 3-4-12. And later about 6-10-12 released on bail, ^{Great Bodily Injury} until 12-2-2014. The Appellant states he has had a good community relationship and ties, and has in no way, been a threat or harm to anyone during his entire release while out on bond. The Appellant moves the Court to consider his arrest was argued unlawful as he was arrested on a U.T.T. for Felony DUI which should have been a Warrant.

The Appellant alleges the Judge forced him to Conduct a trial Pro Se with objections made on the record. The Felony DUI arrest was never video recorded and that alone is a statutory violation of the S.C. which the Appellant argues the case will be dismissed, on those grounds,

The Appellant alleges he is in no way ever been a flight risk and was out on a bond for over (3) years with no Bond Violations of Conditions of Release. Therefore the Appellant moves this court for And Order to allow him to be released on bond pending his Appeal. The Appellant will be willing to wear a GPS Leg Monitor if required. The Appellant has No Passport and will never leave the Jurisdiction of the State of S. C.

wherefor Appellant moves this Court for And Order granting him and Appeal bond, in the same amount as Appellant was out on, and or anything else the Court deems just and proper.

Please send me a letter showing I'm on Appeal and have certain deadlines for the next approximate months/year. This way I can use the law library at my Institution; to help prepare my case for Appeal, or else I will not be allowed to go to SC Court of Appeals. I really need to be part of my Appeal - and need this letter stating certain time constraints are place upon me for the next 2ys, or however you can word it.
