Mr. Powell:

We are in Sumter County for a case this week and I will not be returning to the office to grab files until Wednesday. I have notes on the motions heard in this case, which will likely also show which court reporter was with us that week. We do not have contact information for court reporters, but their contact addresses to send transcript requests are listed online at sccourts.org. Thanks.

Case No. 2013-CP-10-5351

Jack Powell,

Appellant,

v.

**NOTICE OF APPEAL**  
6-18-15

Charleston, S. C. 29412  
(843) 952-4762

case 2013-CP-10-6019, but during this case 2013-CP-10-5351 he granted the Respondent Summary Judgment because the Pro se didn't respond to the Respondents Memorandum in Support for Summary Judgment and at the time Pro se Appellant didn't even know he was supposed to respond.

30. Judge Dennis erred when the Appellant had submitted in his Motion for Reconsideration that Wall, Templeton and Haldrup deposed the Appellant in an angry, aggressive and improper manner and the Pro se was unaware of his rights and the legal procedure to stop the Deposition.

### CONCLUSION

Appellant Pro se, Jack Powell requests the South Carolina Court of Appeals to grant a reversal in this Appeal because of the mistakes, bias and the genuine disputes of material facts.
