My name is Sebrina Walker, I sent a request in for transcripts on March 9th 2015, I am just receiving a response back today April 15, 2015. The court reporter also stated that I have to get permission from all parties in order to receive a copy. I called the Columbia, SC administration and I was directed on what to do. I followed the directions and nothing was said about getting everyone to agree that I can receive this information. I am Pro Se. so why am I being treated differently. I sent attached the letter a received from the clerk of court.

Thank you,
