Appellate Case No. 2013-002811

ORDER

On April 21, 2015, this court ordered Appellants to serve and file a supplemental record on appeal within twenty days that included several documents listed in Respondent's designation of matter but omitted from Appellants' prior filings.¹ Appellants were also ordered to correct the cover page of their second amended record on appeal by including all counsel of record and Appellant Roxanne Johnson Schledwitz. On May 14, 2015, Appellants filed a third amended record on appeal. However, on May 18, 2015, Respondent notified this court in a motion to dismiss that the record did not include its summary judgment motion and exhibits. Additionally, Damon Wlodarczyk was not included as counsel of record on the cover page.

¹ Appellants were ordered to include "a copy of the Complaint, Respondent's motion for Summary Judgment and Exhibits, and the Motion for Summary Judgment hearing transcript."

Within ten days of entry of this order, Appellants shall serve and file a supplemental record on appeal that includes Respondent's summary judgment motion and exhibits as required by Rule 210(c), SCACR. Appellants shall also file a corrected cover page for their third amended record on appeal that includes all counsel of record as required by Rule 267(a), SCACR. Upon receipt of the supplemental record and corrected cover page or the expiration of ten days, this court will entertain Respondent's motion. Failure to fully comply with this order may result in dismissal of this appeal.
