Re: Robert Miller v. Robert Stevenson
Appellate Case No. 2014-001964

Dear Mr. Miller:

The letter dated June 29, 2015 stating that the appellant's initial brief and designation of matter should have been filed with the Court had a clerical error. The letter should have stated that the appellant needed to file a proof of service stating that the appellant's initial brief and designation of matter were served on the respondent as required by the Court's order dated June 2, 2015. Within ten days of the date of this letter, you must file your proof of service of the appellant's initial brief and designation of matter along with a motion requesting permission to file the document out-of-time. Your appeal will be dismissed if no motion is made within ten days of the date of this letter.

Very truly yours,

V. Claire Allen, Deputy

CLERK
