Motion for Reconsideration  
# 2012-210106

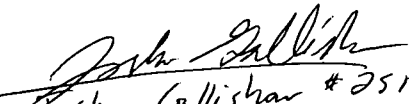

Appellant states that he sent documentation of Record on Appeal to the Courts prior to it's ruling (although not lobbed) to dismiss his case and ask for Reconsideration on it's 8-8-12 order.

When Appellant filed brief he sent documents along with it for record, but was sent them back by the Clerk of Court in memo dated June 24, 2012 (which said they were not needed at the time) These documents were also sent to Defendants. Appellant has done all he knew to this case.

As put in correspondence (In Re Joshua Callishaw) letter to Courts and Defendants dated June 17, 2012 appellant could not receive proper legal material to help, cause of S.C. D.C. officials and asked for the Courts mercy if any problems arised

Therefore Appellant ask that a Motion for Reconsideration be had.

A copy of the foregoing Motion for Reconsideration has been sent to Defendants Lawyer Chris Florian at Po Box 21787, Columbia, S.C. 29221 by mail this August 13, 2012 From:
