Re: The State of South Carolina v James C. Williams
Appellate Case No.: 2013-001849

Dear Clerk:

The Appellant, James C. Williams, by this instrument is hereby requesting a second extension, to enlarge the time needed to acquire the remaining documents the Court is requiring as designated matter and material to be submitted regarding the above referenced.

This request for enlargement is made because the Appellant is still awaiting receipt of documents requested from the Supreme Court of South Carolina, requested on June 28 2015 with total payment enclosed, for the documents entailing Appellate Cases Numbers 1) 2002-023051, 2) 2005-03386, and 3) 2012-209487, a total of 56 pages. Also, a request has been made to this Court, (The Court of Appeals), regarding documents need; inquiring if the Court could provide the need documents. This request was made June 23 2015 and as of this date I've not received a reply.

The Appellant is hereby respectfully requesting a second enlargement in attempt to gather all the required documentation.

Thank you for your consideration in this matter.

Sincerely,

James C. Williams
