

The South Carolina Court of Appeals

MacMillan Wireless Diagnostics, Inc., Respondent,

v.

Hypower, Inc., Appellant.

Appellate Case No. 2015-001074

ORDER

Appellant has filed a notice of appeal from "the jury verdict and order of the Honorable Diane S. Goodstein." The Form 4 order states the order does not end the case and "prejudgment interest [will] be calculated in a formal order to be submitted." Because this is not yet a "final judgment, appealable order or decision" pursuant to Rule 201 of the South Carolina Appellate Court Rules, this appeal is premature. Accordingly, this appeal is dismissed without prejudice. The remittitur will be sent as required by Rule 221(b), SCACR.
