Re: David Ford II vs. Richard Campanaro  
Appellate Case No. 2015-000997

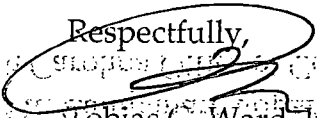

Dear Ms. Kitchings:

Our firm represents the Plaintiff David Ford II, the Respondent in the above referenced appeal filed by Mr. Campanaro, *Pro Se*. I am writing you to request clarification of the applicable time limits for this appeal. You wrote Mr. Campanaro on June 4, 2015 about not receiving any information that the transcript has been ordered and that his appeal may be dismissed in ten (10) days if he did not respond. Sometime thereafter (his response letter is not dated) Mr. Campanaro apparently copied you and did copy our office with a letter to the South Carolina Office of Court Administration requesting a copy of the transcript.

Mr. Campanaro also sent a six page document titled "Appeal" with a Table of Contents on the title page and an "Appendix" of documents. While these documents certainly don't appear to comply with the requirements of Rules 208 and 209 SCACR, we wanted clarification from the court so we can properly calendar Respondent's Initial Brief and Designation of Matter, if necessary.

From the postmarks on the envelopes (some envelopes were not delivered), we believe we received these documents after June 29, 2015. Also, the "Appeal" does not include a Certificate of Service. We would appreciate your advising our office as to the status of this appeal and applicable time limits.

Respectfully,

  
Tobias G. Ward, Jr.

Cc: David Ford, II  
Richard Campanaro
