Re: Robbie Collins v. State  
Appellate Case No. 2015-001473  
Lower Court Case No. 2014CP3100148

Dear Mr. Collins:

This Court has received your notice of appeal. Although this notice of appeal is dated May 25, 2015, it was not received by this Court until July 2, 2015, in an envelope showing it was received by the mail room of your institution on June 29, 2015.

This case has been assigned the appellate case number that appears above. Please use this number on all future correspondence relating to this matter.

All parties to this matter are advised that all filings must comply with the requirements of Rule 267 of the South Carolina Appellate Court Rules (SCACR). The SCACR are available online at [www.sccourts.org/courtreg](http://www.sccourts.org/courtreg). Additionally, any filings submitted by counsel admitted in South Carolina must include counsel's bar number.

The attention of the parties is directed to the order relating to the inclusion of personal data identifiers and other sensitive information in documents filed with

the Supreme Court of South Carolina and the South Carolina Court of Appeals. The order can be found at

[www.sccourts.org/courtOrders/displayOrder.cfm?orderNo=2014-04-15-02](http://www.sccourts.org/courtOrders/displayOrder.cfm?orderNo=2014-04-15-02) .

Please note that the responsibility for insuring that information is redacted or sealed as required by this order rests with counsel and the parties. This office will *not* review filings for redaction or to determine if materials should be sealed.

For this matter to proceed, you will need to provide this Court with the following within twenty (20) days of the date of this letter:

(1) A proof of service showing that the notice of appeal has been served on the attorney representing the State as required by Rules 243(b) and 203(d)(1)(B)(ii), SCACR. This proof of service should be substantially in the format shown in the enclosure to this letter; and,

(2) The written explanation required by Rule 243(c), SCACR, since the order of the circuit court determined that this action is barred as being successive and as being untimely under the statute of limitations. This explanation must contain sufficient facts, argument and citation to legal authority to show that there is an arguable basis for asserting that the determination by the lower court was improper. The failure to make a sufficient showing may result in the dismissal of this matter.

Very truly yours,

CLERK
