RE: Dan Abel and Mary Abel v. South Carolina Department of Health and Environmental Control and Pawleys Island Community Church, App. Tracking No. 2015-000602

Dear Madam Clerk:

I am writing to advise the Court that I have been associated by Oxner and Stacy to assist with this appeal on behalf of the Respondent Pawleys Island Community Church. I am also writing to request an extension for the service and filing of the Respondent's initial brief and additional designations.

The Appellant's brief and designations were served on June 15, 2015, and thus, the Respondents' briefs and designations are due July 15, 2015. However, the Respondent SC DHEC has already been granted a first extension until August 14, 2015. Since I have only recently been associated, I too am requesting a 30-day extension of time on behalf of the Respondent Church so that I can we can consult with the trial counsel and coordinate with the other Respondent. I am enclosing a check of the \$25.00 filing fee, and by copy of this letter I am advising Counsel for Appellant and the Respondent my appearance and the extension request.

Thanking you for your cooperation and consideration in this request, I am

Yours truly,

Deborah Harrison Sheffield
