Case No. J141504

Donald V. Myers, Respondent,

v.

Torrance A. Gantt, Appellant

SC Court of Appeals

**MOTION FOR LEAVE, RELIEF OF ORDER AND REINSTATEMENT.**

The order of the court of appeals states that the issue was dismissed for failure to timely serve notice of appeal, lack of standing to appeal a decision not to prosecute, and lack of a written order on appeal. Petitioner sent notice of correction that the written order on appeal was submitted during the initial filing for the appeal but was not properly copied as it was the only page containing a front and back copy. Petitioner also filed a motion for extension of time and request for rehearing pursuant to Rule 221, 240, 260, of The South Carolina Code of Law. Petitioner requests leave to file motion for leave and relief of order and reinstatement due to excusable neglect. Pursuant to rules 59 and Rule 60 of The South Carolina Code of Law, petitioner makes this request under good cause of this honorable court.

This notice serves as a correction of a clerical error that occurred during the filing of supporting documents of case number J141504. Please correct the errors of the following miscopied written order on appeal. The clerical error existed during the exchange of documents to the court of appeals in which the only page that was front and back containing the written order on appeal was not copied on the back side. This discrepancy of the missed copy was discovered after a decision was sent out notifying petitioner that it was absent of the filings. Attached to this notice is the written notice on appeal.
