My name is SC Court of Appeals  
and my appeal case number is  
2015-000989. My first question is  
what is this appeal pertaining to?  
Who is the attorney handling this  
case now? IF this is a direct  
appeal my attorney did not make  
any objections and did not argue  
anything. My attorney did not call  
any witness in my defense and  
did nothing we discussed before  
trial. So there will be no merits  
for a direct appeal. Enclose you  
will find a letter from Clerk of  
Court. I am confused that's what  
I thought he was filing a PCR  
now you see what these letters  
are saying. Could you please  
explain them to me? Thank you  
for your time.

Re: letter

I am today in receipt of your letter requesting a copy of your motion discovery. I am enclosing a copy of the request your attorney made to the Solicitors office. We do not have discovery paperwork that is sent to your attorney from the Solicitor so if you want copies of the items you will need to write them.

Also, you have a Direct Appeal filing. Your attorney has filed an appeal with the Supreme Court in this case for you. I am filing this paperwork in your file. I am not sure what you are trying to do but we will have the paper in your file but we do not schedule any hearing for appeals.

Yours truly,

Beverly Whitfield  
Clerk of Court  
Oconee County

Enclosure: PCR app.
