S.C. SUPREME COURT

RE: Your letter asking for funds  
so my Petition will be added  
to the Lawyers Certification I was  
waiting on proof from S.C.D.C that  
I'm indigent

Look Sir,

I have a indigent lawyer!!!  
you are forcing me to use so  
you know I do not have the funds  
to mail you.

Because I'm indigent dose not  
mean you can deny my writ of  
certiorari

If the judges read it o.k. if not  
it's going to be part of my  
appeal. I have a fight to go  
pro-se And if the supreme court  
wants to take this matter to the  
Federal Courts for them to rule

(1)A

then that's up to them my  
Indigent lawyer sent me the  
Attorney General's answer to her  
Certiorari

I ask the judge 1 thing when  
solicitor pates McCoy was ask  
sir now that your in private  
practice if you where Mr  
Dickson attorney would you  
get something in writing

And he answered yes! We need to  
go no further This is the man  
my lawyer Mr Davis said could be  
trusted and anything he said he'd  
do he'll do. Anyone he sends to  
speak for him can be trusted.

If all this is true like I believed  
it was. Why would he need a  
written letter or anything in writing  
He ask me did I want something  
in writing from the start. And I  
said your word is good with me

I had no idea I needed anything in  
writing I sure did not have a  
attorney at any meetings to say I  
did.

(2) A

that's all I have to say to  
the courts I wish they would  
read that.

And ask the Attorney General to  
answer or Mr Peter McKay or  
Rodney Davis.

I Believed I was doing right!  
helping the Solicitor office putting  
my life on the line.

So you tell me or the Court please  
tell me how someone puts there  
life on the line think that they are  
going to get the help promise to them  
And after they get all the information +  
put the pressure for more that I'm  
forced to say I can't do that

They know whitt's going to plea so  
because I can't in R.I. with a  
life without parole. That's what  
we are talking about. How I got  
more time than whitt + I helped  
I put my life on Peter McKay's  
+ Rodney Davis word....

Sincerely  
Dane E. DeKoe

RE: To answer your letter concerning  
my right to pro-se lawyer to file  
my own Petition for writ of Certiorari  
Case No. 2014-002030

I am mailing you a Financial  
Accounting Form from the office of the  
S.C.D.C. which keeps track of him +  
inmates monies.

I am a indigent inmate but I  
was still wondering why you charge me  
I got your letter stating I had (10)  
days to respond

I wrote my fingers to the bones to  
get you your p.tition for writ of Certiorari  
Appellate Case No 2014-002030 and like

you state in your letter 42 pages  
long your copy for the Supreme  
Court (1) Charleston Clerk at Court (2)  
S.C. - Attorney General's office (3)

I wrote + file in 10 days every  
one got there copy so now you trying  
to charge me for what I did with  
the writing plus you state in light  
of this court's denial your motion to  
proceed pro-se will not be considered

Well I got news for you I will  
be filing a Habeas Corpus application  
with the Federal Courts on this matter  
and lets see who they say has to  
represent me Did I say that fight  
me, me, me, me, me!

I filed on time everyone received  
copies the A.G. is involved up to his  
neck in my case so he's trying to  
cover it up and shame on you for helping

The Courts deserve the truth. And I'm  
going to make sure the Federal Court  
hears it. Just to rule that you need  
to answer alot of my questions And stop  
trying to run and hide from the real

Issues. I bet if I offer the  
Federal Courts a deal like I offered  
the A.G.'s office they will jump at it  
and my family will be protected.

Look I've said enough to you I've  
did all this writing all this studying  
I'm not long for this world. But I'm  
going to stay alive long enough to see  
this case through court on that.

No judge takes 2 year + 1 month to  
rule on a P.C.R. unless there's some  
thing wrong with there is. shit wrong  
I would do wrong be my public defender  
by the Charleston County Solicitor office +  
the South Carolina Attorney General's office.  
And I can prove that.

I tried to keep it on house but  
this A.G. is I'm not even going to  
lower myself any longer the transcripts  
speak for themselves

And the feds would love to know what  
I know bet on that hub shot, The A.G.  
was a full like I'd jump and have my  
family killed just to be free.

Nothing is worth that. And everything  
she said they weren't they have provided  
the Are that strong

If I stay a hot item in 24 hours  
back on it.

I'm sending you the Financial Accounting  
Office Records to prove Im Indigent  
But I file hand wrote every word  
myself You made it seem like I had  
10 days to file or I was done  
I got your letter its going to the  
Federal Courts

Then you'll explain why my stuff  
The person who was there who knew the  
truth is no go But some women who  
know nothing but what I tell her is  
suppose to know it all.

That cannot be right or fair or just.  
GOD Bless You

Sincerely
