

The South Carolina Court of Appeals

Basil W. Akbar, Appellant,

v.

South Carolina Department of Corrections, Respondent.

Appellate Case No. 2013-002306

ORDER

Respondent has filed a motion to dismiss, contending the supplemental record Appellant served in accordance with this Court's January 8, 2015 order does not include several matters designated by Respondent. Accordingly, Appellant is ordered to serve and file another supplemental record on appeal that includes the omitted designated matters within ten days of the date of this order. The designated matters to be included include: 1 (Summons and Complaint with any attachments) 2 (Respondents' Notice and Motion to Dismiss/Strike Prayer for Punitive Damages), 3 (Respondents' Notice and Motion to Dismiss or in the Alternative to Substitute), 4 (Answer of Respondents), 5 (Respondents' Answers to Appellant's Requests for Admission), 11 (Affidavits of Ann Hallman and Noel Hebert with attachments), and 12 (Respondents' Memorandum of Law in Support of Motion to Dismiss and Motion for Summary Judgment). This court will act on the motion to dismiss and Appellant's motion to accept the final brief upon receipt of a correct supplemental record on appeal or the expiration of ten days. Failure of Appellant to comply with this order will result in the dismissal of this appeal.
